MAXIMUM CANDIDATES FOR CLASS IS 40

The "D" course is the final certification in the sequence of NTSSA coaching education and is the preparatory course for the national coaching school. This level addresses the needs of the U16 and U18 player. Designed for the experienced coach, it is thirty-six (36) hours of theory, practical and exams, lecture topic includes reviewing methods of coaching & teaching, organization of Training sessions, team management and match analysis. Field sessions address team shape in attack & defense, advanced aspects of goalkeeping, flighted service, finishing, and technical functional training; written examinations are reviewed and considered part of the educational experience. Candidates are evaluated during assigned practical coaching sessions on teaching, content and organization. The course highlights the comprehensive process of teaching
