6. Any appeal concerning the action of a particular commissioner shall be made directly to the State Appeals and Disciplinary Committee of NTSSA and such complaint shall be acted upon within fifteen (15) days by said committee.

The fiscal and seasonal soccer year of the Association shall be from September 1 to August 31

2.10.3 Books and Records

The Corporation shall keep correct and complete books and records of account and shall keep minutes of all meetings at its registered office.

2.10.4 Resignation

Any director, committee member, officer, or agent may resign by giving written notice to the President. The resignation shall take effect at the time specified therein, or immediately if no time is specified. Unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.

2.10.5 Amendments to Bylaws

These Bylaws may be altered, amended, or repealed, or new Bylaws may be adopted, at any meeting of the Association at which a quorum is present by a two-thirds (2/3) vote of the total present membership; provided, however, that all members have been given sixty (60) days written notice or electronic notice, including a written or electronic copy of the proposed changes.

Any proposed changes must be submitted to the Bylaws, Rules, and Regulation Committee on the proper form by April 15th prior to the next Annual General Meeting of this association for review and distribution to the membership within the allotted time required in Rule 2.10.5

Any person who files a lawsuit or invokes the aid of the courts on their own behalf or as the representative for another person against NTSSA, or its officers, employees, or members or representatives of any of its officers, employees, or members, shall be subject to the sanction of immediate suspension from membership and from all soccer activities within the jurisdiction of NTSSA and its affiliates. NTSSA may also elect to subject a person who threatens to file a lawsuit or who threatens to invoke the aid of the courts to the same sanctions of suspension. NTSSA adopts the policy that it is allowed to take full advantage of rights permitted to it by the laws of the State of Texas for “Not-for-Profit” organizations.

2.10.8 Prohibited Conduct and Reporting

NTSSA adopts a philosophy and policies that meet or exceed the minimum criteria established by USSF that prohibits physical or sexual abuse of or by players, coaches, referees, administrators and spectators, and will take steps necessary to remove from further soccer activities any person found guilty of such.

NTSSA prohibits all types of physical, sexual, and emotional abuse, bullying, threats, harassment, and hazing. Participants, employees or volunteers in NTSSA may be subject to disciplinary and/or legal action for engaging in any misconduct or abuse against another person. Reports of any actual or suspected violations must be sent within 24 hours to the NTSSA Executive Director and/or the local authorities.

Mandatory reporting is required of all “covered individuals”, defined as any adult who is authorized by an amateur sports organization to interact with a minor or amateur athlete at an amateur sports organization facility or at any event sanctioned by an amateur sports organization. Covered individuals include, but are not limited to, volunteer administrators, employees, coaches, team administrators, referees, and trainers.

NTSSA shall indemnify each of its present or former directors, officers, employees, or official representatives or any person who is or was serving in any capacity at the request of NTSSA against all expenses actually and reasonably incurred by the person (including, but not limited to, judgments, costs, and counsel fees) in connection with the defense of any pending or threatened litigation to which that person is, or is threatened to be made, partly because that person is or was serving in such a capacity. This right of indemnification may also apply to expenses of litigation, which is compromised or settled, including amounts paid in settlement, if NTSSA approves such settlement. Such an individual shall be indemnified if the individual acted in good faith and in a manner the individual reasonably believed to be in or not opposed to the best interests of NTSSA. The termination of any litigation by judgment, order, settlement, conviction, or plea of *nolo contendere* or its equivalent shall not, of itself, create a presumption that the individual did not act in good faith or in the manner the individual reasonably believed to be in or not opposed to the best interests of NTSSA.

Any amount payable as indemnification under this bylaw may be paid by NTSSA upon a determination by the Board of Directors, not including those members who have incurred expenses in connection with the litigation for which indemnification is sought, that the individual in question need the standard set forth in this bylaw. If no disinterested Board of Directors members are available, the required determination shall be made by a majority vote of the members of NTSSA.

The Board of Directors may authorize the purchase of insurance on behalf of any persons potentially identifiable under this bylaw.

This shall not be construed to prevent any individual player from participating with school or church teams, or neighborhood unsupervised games.

2024/2025 Bylaws and Rules

3.4 SUSPENSIONS

The **NTSSA** and its affiliated members shall honor any and all orders of suspension of players, coaches, and referees issued by **NTSSA** or its affiliates if the suspension indicates, “suspended from all **NTSSA** activities” and due process has been followed. 3.5.1

The use of unregistered referees is approved only in emergency situations; then, the captain or coaches of two competing teams may decide on someone agreeable to both of them to officiate. In these circumstances, the decisions of that person serving as an emergency referee are just as binding as if he were a registered referee.

1. A Member Association of **NTSSA** who attempts to circumvent the spirit of this rule by continually relying on Rule 3.5.1, or uses the excuse of referee unavailability as a reason not to insist upon the proper training and registration of all referees, will be put on thirty (30) days written notice by the **NTSSA** Board of Directors that he is not in good standing with **NTSSA**. If he does not take immediate, positive steps to completely comply with this rule, the Association will be held not to be in good standing.

3.5.5

In accordance with current rules and regulations of the **USSF** National Referee Committee and the **NTSSA** State Referee Committee all referee assignors (or schedulers) must have satisfactorily completed the approved assignor clinic and be registered with **USSF** and **NTSSA**. 4. Should any individual who has received a negative response wish to appeal the finding, an appeal may be filed with the **NTSSA** Risk Management Committee according to the **NTSSA** Procedure for Filing Appeals.
5. At such time as the Risk Management Committee has heard an appeal and rules an individual ineligible, or when the appeal time has elapsed, a letter of notification will be sent to all administrative organizations within **NTSSA** notifying them of the individual's suspension, but not the cause of the suspension.
6. All responses shall be kept in strict confidence.

3.7 YOUTH PLAY IN ADULT DIVISION

3.7.1

A Youth player, who is eighteen (18) years of age but still eligible for 19U play, will be permitted to play an unlimited number of Adult games without losing his eligibility. The youth player must obtain permission from his youth coach or other authorized team official. The youth coach or other authorized team official shall, in writing or by form, request eligibility clearance from the State Youth Commissioner. The youth coach or other team official must, in writing or by form, request permission from the appropriate State Adult Commissioner. When the above clearances and permissions have been granted, the appropriate State Adult Commissioner has sole discretion in permitting a youth player to play adult games and will be responsible for establishing the procedures for which this will be implemented. The youth player shall be listed as a "provisional" adult player. No Youth player under the age of eighteen (18) may register or play in an Adult game.

3.7.2

North Texas State Soccer Association, Inc.
2024/2025 Bylaws and Rules

3.7.5

Should a player eligible to compete in youth competition decide to forego his youth eligibility and register as an adult player, he must:

1. Make an Application to the Youth Commissioner
 - a. The Youth Commissioner will ensure that the player is not under suspension or probation and then relay all information and original request to the appropriate Adult Commissioner.
 - b. A Youth Player after receiving the proper clearance from the appropriate Adult Commissioner then may register as an Adult Player.

3.7.6

Any adult team, coach, or administrator who knowingly uses a youth player not in accordance with the above rules shall be suspended for a period of not less than one (1) year.

3.8 ADULT REGISTRATIONS

3.8.1

A player may register on as many teams as he chooses as long as these teams do not play each other in any competition.

3.8.2

An adult team roster will have no more than 25 players.

NOTE: *Youth registration, transfers, etc., are covered under the Rules for Registration of Youth Players.*

3.9 PLAYING AGE

Except where prohibited by USSF rules, youth players may participate in older divisions but may not play in younger divisions than their age dictates except by approval of the NTSSA Board of Directors.

Failure to comply with this rule shall result in the offending team forfeiting all the games in which the older player participated. In addition, the coach, assistant coach and/or manager of the offending team may be suspended for a period of not less than one year.

3.10 YOUTH CONTRACTS AND RELEASES

3.10.1

No coach, assistant coach, trainer, or team representative may practice any soccer related activity with any NTSSA registered player who does not appear on his current NTSSA roster or is not considered to be a free agent by current NTSSA Rules and Regulations except for a coach, who at the request of another teams coach, substitutes for that coach at practice or games for the convenience of the requesting coach. A free agent is a player in the 11U through 19U age division who desires to participate on a competitive team and is not rostered to any team. A competitive player may practice with another team if he has received a written permission letter signed by his current coach that sets out the dates and the team with which the player will practice. The player is to give the letter to the coach of the team with which he is practicing, and he must keep a copy for himself.

NOTE: *The above does not include indoor soccer.*

3.10.2

Between August 1 of the prior soccer year and May 31 of the current seasonal soccer year, NTSSA registered players may attend soccer camps (clinics), or private lessons etc., hosted and/or coached by individuals, teams, clubs and/or organizations other than the player's current coach, team, club and/or organization as long as the soccer camps meet the following criteria:

The clinic or camp, must be available to all interested persons for each age group offered through an open invitation.

North Texas State Soccer Association, Inc.

2024/2025 Bylaws and Rules

Each individual, team, club and/or organization hosting any soccer clinic or camp, etc., must require written registration of each participant that includes the following information:

- Player's name
- Name, address and phone number of individual(s), team(s), club(s) and/or organization(s) affiliated with and/or hosting the clinic
- Name(s) of coaches at clinic
- Name and date(s) of clinic
- Name of player's current team and home association
- A statement signed by the player's current coach/manager stating that he or she is aware that the player is attending the camp or clinic, etc.
- The following disclaimer:

"Recruiting is strictly prohibited. Any person having knowledge of any player recruitment at or through this soccer clinic, camp, private lesson, etc., should report same, in writing, to the Youth Commissioner of NTSSA." (For an in-depth definition of recruiting, see NTSSA rule 3.10.9)

- Parent signature acknowledging that he/she has read and understands the disclaimer. Date of signature. (If player is 18 years or older, player should sign also.)

The host of the clinic or camp must keep all registration forms for one (1) year from the date of the camp or clinic, etc., so they will be able to produce on demand from a Member Association and/or NTSSA a copy of the registration form to verify compliance with this rule in the event charges of rule violations are alleged against the hosting individual, team, club and/or organization as stated above.

This rule does not apply to Member Associations that sponsor clinics/camps, etc., for their players where the registration publicity is conducted by the Member Association. Any publicity must indicate this camp/clinic, etc., is sponsored by the Association. The Member Association must monitor the program to assure no recruiting activities occur.

Between August 1 of the prior soccer year and May 31 of the current soccer year, players requesting private lessons from any person must obtain a written statement from their current coach stating their knowledge of the private lessons. The person giving the private lessons must retain the acknowledgment slip and be able to present same when requested by a Member Association or NTSSA.

3.10.3

Soccer Academies

1. A "Soccer Academy" is a group of 7U through 10U registered NTSSA recreational players who desire to participate with other players without following the recreational team formation rules. Players must register with a member association and may or may not be on a recreational team, unless required to be on a recreational team by their member association. Academies are to be governed by NTSSA Youth Associations, and NTSSA Youth Associations may host as many Soccer Academies as they deem desirable. Academy teams are governed by the league in which they participate. (If more than one association is involved in an academy league an A&D committee should be in place.)
2. Coaches, trainers, administrators, etc., of Soccer Academies must have satisfactorily passed the criminal background check and information sent to NTSSA.
3. Soccer Academy play is in addition to recreational play. Players may join any Soccer Academy of their choosing within their age group, and are not required to obtain a release from their NTSSA recreational team to participate on an Academy team. Players must present a form of proof of registration signed by their home association registrar each time they participate with an Academy. Players may join as many Soccer Academies as they like as long as the Soccer Academy is recognized by a NTSSA Member Youth Association. No formal contract or written commitment may be signed by or on behalf of the player to commit a player to an Academy team. The Academies

North Texas State Soccer Association, Inc.
2024/2025 Bylaws and Rules

may charge a fee to cover expenses in addition to the player's recreational soccer registration fees. Academy players may participate in only one Academy tournament at a time. Violations of this rule shall result in sanctions against the offending party (coach, assistant coach, manager, parent, or other team representative), which could include suspension from all soccer activities for a period of time.

4. Member Associations may provide league play if they have enough teams, or may coordinate with other Member Associations to provide a league or games between Soccer Academy teams from different home associations. Age division play will be designated as 7U through 10U. Scores and standings should not be kept.
5. Soccer Academy teams are not considered "registered teams," and therefore do not have to follow recreational team formation rules. Soccer Academy teams may not enter NTSSA sanctioned tournaments unless the tournament has specified a "Soccer Academy" bracket. In that event, players must declare which Soccer Academy team they will play within the tournament and may only play for one team in a tournament.
6. Soccer Academy rosters may change from week to week to accommodate players desiring to change Soccer Academies or to accommodate players who want to play on one team one week and another team the next week.
7. The purposes of the Soccer Academies are to:
 - a. Provide recreational players who have aspirations of becoming a more accomplished player an avenue to test and enhance his or her skills.
 - b. Provide recreational players an opportunity to train with experienced coaches.
 - c. Provide recreational players an opportunity to investigate the level of play with which they are comfortable, which players they would like to play with, and for which coaches they would like to play.
8. Recruiting is not allowed on Soccer Academy teams. Soccer Academies are to be used for training, not recruiting.
9. For the purpose of this rule, all players participating in a Soccer Academy who are also registered with an NTSSA Member youth association recreational or recreational plus team shall, in the event of a conflict, consider the NTSSA recreational team or recreational plus team to be their primary team and the Soccer Academy as a secondary commitment.

3.10.4

Failure to comply with Rule 3.10.1 and/or Rule 3.10.2 may result in the offending coach, assistant coach, manager/trainer, and/or team representative being suspended from soccer activities for a period of not less than one (1) year.

3.10.5

If the complaint is intra-association, then the complaint will follow the Member Association's rules for filing complaints. Any appeal from a Member Association's decision would then follow the ordinary process of appeals from Member Associations.

3.10.6

Should the complaint be of an inter-association matter, then the complainant will file his complaint directly with the NTSSA Youth Commissioner, who shall render a decision. Either party may then file an appeal with the NTSSA Board of Directors according to the Bylaws of NTSSA.

3.10.7 Player Releases

Recreational Player Transferring Associations Mid-Year:

Once a player has registered with a Member Association and been rostered to a recreational team, they are bound to that Association for the entire seasonal year unless the player transfers to another association utilizing the following process:

1. A player transfer to another member association may take place from December 1 up until they are registered and rostered to a team in their current Member Association for the Spring season. If they have registered for the Spring season, they are not eligible to transfer, unless an exception has been granted by the Youth Commissioner.
2. The player must submit a completed transfer form to the new association, indicating where they registered in the fall, why they are transferring, and in which association they plan to play in the Spring.
3. The receiving member association must sign the form, acknowledge the transfer, and provide a copy of the completed transfer to the original member association informing them that the player will not be returning. They may then register the player.
4. There is no need for the transfer to be submitted or approved by North Texas if it is within the transfer window indicated and the player has not registered for the Spring.

Competitive Player Releases/Transfers

Any player rostered to a competitive team is bound to that team for the entire seasonal year from the time the player signs a contract until the end of the subsequent soccer playing year (August 1 of the prior soccer year through June 30 of the current soccer year) unless the player requests a release or is released involuntarily. A player release shall be submitted to and approved by the NTSSA Youth Commissioner, stating the reason for the request on the release as described by the competitive policy manual. Approval of a player's release from a competitive team by NTSSA does not constitute a release of financial liability, if applicable to the team.

Voluntary Competitive Player Release/Transfer

A player may receive a full release to join another competitive team 1 time per soccer year with the approval of the NTSSA Youth Commissioner under the following circumstances:

1. A player who has registered with a team that does not enter a USYSA outdoor league for the fall season, in the age group for which the player signed up, may be granted a transfer upon request, with or without the coach's approval.
2. A full transfer may be granted when the coach of the players' current team grants the release without conditions.
3. A conditional release may be granted when the releasing coach does not agree to a full release, but the player wishes to leave the team. The coach may then place conditions on the release as set forth in the competitive policy manual. A conditional release requires a two-week waiting period before the player may be rostered to another competitive team. This release may be granted with or without the coach's approval.
4. Transfers and Inter-club Movement may be granted at any time on or prior to April 1.
5. A player may leave a competitive team and go into his home Member Association recreational player pool at any time on or prior to April 1 of the current soccer year with the written permission of the Youth Commissioner.

A request for release from a competitive team must be received in the NTSSA office by April 1 (if April 1 falls on a weekend, then the first business day after). (Exceptions: player has moved outside NTSSA territory, current team has disbanded, or medical documentation the player has been injured and is unable to play the remainder of the soccer year.)

Any request for release/transfer that is not approved or has conditions by the player's current coach, as indicated above, will be scheduled for a Competitive Soccer Committee hearing, as stated in the Competitive Policy Manual which shall be chaired by the NTSSA Youth Commissioner or his designee, with all parties being invited to attend. Any appeal of the decision of the Competitive Soccer Committee after the hearing must be made directly to the NTSSA Board of Directors of within five (5) days.

North Texas State Soccer Association, Inc.
2024/2025 Bylaws and Rules

Recreation to Competitive Voluntary Release

Any recreational player currently rostered to a recreational team and wishing to be released to join a competitive team may do so only between December 1 and March 15 and may do so only with the written permission of the Member Association in which he is currently rostered. A competitive registration form must be completed prior to the players' transfer to a competitive team.

Involuntary Competitive Player Release

A coach can submit to the NTSSA Youth Commissioner a request to remove a player from their roster involuntarily under the following circumstances:

1. The player has violated rules of the USSF, USYSA, NTSSA or NTSSA Member Associations.
2. The player has moved beyond a reasonable travel distance. Determination of what constitutes a reasonable travel distance is subject to definition by NTSSA.
3. The player is injured in such a manner that the player will not be able to participate for the remainder of the season.
4. A player who has not attended any team functions or been in contact with their team manager or coach with intentions to return to the team for a period of 30 consecutive days will be considered to have abandoned their team and may be released from the team with the approval of the NTSSA Youth Commissioner in writing on the form provided.
5. In an extreme case where a player is exceedingly disruptive, whether physically and/or verbally abusive and is believed to be detrimental to the remainder of the team, the coach may petition the NTSSA Youth Commissioner to release the player from the team. The Youth Commissioner, after consulting with the parent(s) of the player will make a decision whether or not the conditions fall within the guidelines to allow the release. The Youth Commissioner's decision may be appealed to the NTSSA Board of Directors by either party. Unless in the opinion of the Youth Commissioner, the actions of the player are so egregious as to otherwise warrant release from the team, the following circumstances must be present for the release to be considered:
 - a. The coach must have spoken with the player and parent(s) in an attempt to correct the player's behavior and given the player a chance to improve their behavior.
 - b. The coach must have attempted to correct the player's behavior through a reduction of playing time and/or sitting out of practice.
 - c. The coach must not be utilizing the player's behavior in an attempt to remove a lesser skilled player from their team. If other players are demonstrating the same behavior, the coach cannot single out a player for release from the team.
 - d. The coach cannot use problems with a player's parents or financial issues as a reason to remove a player from a roster. They may, however, reduce or eliminate playing time for these reasons.

Any coach who releases a player involuntarily for any reason other than listed in 1-3 above may be brought before the NTSSA Competitive Committee to explain his/her actions. An assertion by the coach or any person with authority or assumed authority on the team, either verbally or by action, that a reasonable person would interpret to mean that the player is no longer welcome on the team may be considered an involuntary release by the coach, even if no formal steps to complete release paperwork have been taken. If the Competitive Committee finds the involuntary release was not justified or could have been avoided in the best interest of the player, the coach is subject to severe sanctions including, but not limited to, suspension from all soccer activities for a period of time to be determined by the Competitive Committee. The coach is responsible for the action of persons in authority, or with assumed authority, on the team.

North Texas State Soccer Association, Inc.
2024/2025 Bylaws and Rules

3.10.8

1. Recruiting is defined as:
 - a. Allowing a player to participate in practice or games with a team on which the player is not rostered unless such participation is otherwise expressly authorized by these NTSSA rules and all paperwork incidental to said authorization has been fully completed prior to such participation.
 - b. Allowing a player to participate in camps, skills, clinics, academies or other training activities unless such participation is otherwise expressly authorized by NTSSA rules, and all paperwork incident to said authorization has been fully completed prior to such participation.
 - c. Actively soliciting a player to break a commitment to his current team in order to join another team. This rule does not apply to Free Agents.
 - d. Making false, misleading, and/or unsubstantiated negative statements that could reasonably be expected to influence the decision of a player regarding his choice of teams.
 - e. Offering anything of monetary value to anyone to induce a player to commit to play for a particular team; provided, offering to pay, waive or reduce a player's expenses associated with participating with a particular team does not constitute recruiting so long as (i) the offer is, in good faith, based on financial need and (ii) any value received is in fact applied to the reasonable and necessary expenses associated with such player's participation.
 - f. Signing for the upcoming soccer year prior to July 1. Any commitment prior to July 1 is not binding on either the player or coach.
 - g. As long as the above rules are observed, nothing herein is intended to restrict the ability of a player at any time to express a general interest in a prospective team or for a prospective team to express at any time a general interest in a prospective player.
2. It shall be a violation of these rules for any person, team, club or other organization to engage in recruiting as defined above. Coaches are responsible for the actions of all of the above listed participants associated with their team. Failure to comply with this rule shall result in sanctions against the offending party that could include suspension from all soccer activities for a period of time to be determined by the NTSSA Competitive Committee. Allegations against registered youth players are subject to review before punishments are considered. Complainant will file his complaint with the Youth Commissioner, who shall render a decision. Either party may file an appeal of the Youth Commissioner's decision with the NTSSA State Board of Directors according to the Bylaws of the NTSSA.

3.10.9 Soccer-Playing Year for Competitive Players

1. NTSSA has established the seasonal year as being from September 1 through August 31. However, these rules provide that a competitive player is a free agent beginning July 1. That player will continue to be a free agent until the player and /or his parents or guardians have signed a contract with a team. The period of August 1 of the prior soccer year to May 15th of the current soccer year is considered the soccer-playing year for competitive players.
 - a. During the soccer-playing year, players are not allowed to try out, practice, or participate with any other team, unless they are a competitive player in the same club or registered as a guest player with another team, in which case the proper release must be signed by all parties. Practice with a team on which a player is registered as a guest player is permitted only if the practice dates are included on the guest player release. A competitive player practicing with a team in the same club is permitted throughout the seasonal year. Otherwise, a player may practice with another team if he has received a written permission letter signed by his current coach that sets out the dates and the team with which the player will practice. The player is to give the letter to the coach of the team with which he will be practicing, and he must keep a copy for himself.

North Texas State Soccer Association, Inc.
2024/2025 Bylaws and Rules

- b. Players wishing to guest play in tournaments must always obtain a properly signed guest player release. (See Rule 4.61.) Contracts may be signed beginning July 1, although signing July 1 is not mandatory. After July 1, players who are not or have not been rostered to a team for the current soccer year may sign a contract for the current soccer year at any time. (This does not include indoor soccer.)
2. Failure to comply shall result in sanctions against the offending party (coach, assistant coach, manager, parent, or other team representative), which could include suspension from all soccer activities for a period of time to be determined by the **NTSSA** Competitive Committee. Allegations against registered youth players are subject to review before punishments are considered and punishment periods are at the discretion of the Youth Commissioner committee hearing such allegations.

NOTE: *If a player currently registered to a team and/or his parent should contact a coach, assistant coach, or team manager to try out for another team, the above stated procedure must be followed.*

3. If a player is released from a team in accordance with **NTSSA** rules for releasing competitive players, he/she is a free agent and is allowed to practice with any team of his/her choosing without a release. The player may not transfer to another competitive team without following the **NTSSA** guidelines governing transfers.

3.11 DISCIPLINE

All Member Associations are directed to distribute this rule to every youth and adult player, every coach, team manager, league administrator, and referee. It is intended that the player and/or coach will make known the contents of this rule to his or her parents and spectators.

3.11.1 Authority

1. All members and participants in youth and adult soccer within the jurisdiction of **NTSSA** have requested to participate in our programs. Therefore, these participants have agreed to abide by the Articles of Incorporation, Bylaws, Rules, and Regulations of **NTSSA**, their local playing association, as well as those of the **USSF** and its National Associations of which **NTSSA** is a member. The **NTSSA** Articles of Incorporation and Bylaws provide that it has jurisdiction over all Member Playing Associations, players, coaches, team managers, administrators, team representatives and referees who choose to affiliate. Any member or participant in youth and adult soccer within the jurisdiction of **NTSSA** found in violation of the Articles of Incorporation, Bylaws, Rules and Regulations of **NTSSA**, their local member association, as well as those of the **USSF** and its National Associations of which **NTSSA** is a member, may be subject to publication in the monthly newsletter of **NTSSA** association of their name, the type of violation, and the disciplinary action taken. Publication will be limited to individuals receiving disciplinary actions of three months or greater.
2. All Member Associations and /or Playing Leagues are directed to form their own Appeals and Disciplinary Committees and to hold hearings--**WITH THE PARTIES HAVING THE RIGHT TO BE PRESENT**--on every player/coach/assistant coach/spectator and/or parent as required for serious misconduct.
3. Should a recreational Playing League cover multiple Associations, the members of the Appeals and Discipline Committee for this league should be comprised of representatives from each available association represented. The **NTSSA** A&D Committee shall serve as the first level of appeal involving complaints from participants of differing Associations. If a Playing League is hosted by a primary Association, the Appeals and Discipline Committee may be comprised of members of that Association.

As guidance, if the issue at hand was as a result of play, the Playing League will handle the disciplinary matter. All other matters shall be directed to coach/individual/team home Association.

3.11.2 Misconduct of Youth Players/Coaches/Assistant Coaches

1. Member Associations, Playing leagues and Tournament Officials may institute their own "CUMULATIVE CARD SYSTEM" for players/coaches and assistant coaches or

North Texas State Soccer Association, Inc.
2024/2025 Bylaws and Rules

additional sanctions as they see appropriate. Appeals of cards are not allowed except when the referee admits he made an error in the issuance of the card. Sanctions for misconduct will remain within the competition where they are earned unless the violation happens in the last game of that competition and the Member Association/Player League or Tournament Officials deem that it is serious enough to forward to North Texas A & D for consideration of further sanctions.

2. **Yellow Cards** A player receiving a second yellow card in a single game is suspended for the balance of that game and the next game within that competition.
3. **Red Cards** A player receiving a red card or a coach/assistant coach who is sent off is suspended for the balance of that game and the next game within that competition, or if in the last game of the competition, may be referred to North Texas for further sanctions.

*If a Member Association's and/or Playing League's A & D Committee determines that a red card was issued for an infraction that was not an "expulsion" offense in accordance with the **IFAB** Laws of the Game, such A & D Committee may reduce the red card to a yellow card and assess sanctions accordingly. The Member Association or Playing League may not, however, do away with the card altogether. A full report of this action must be sent to **NTSSA**.*

3.11.3 Misconduct of Adult Players/Coaches/Assistant Coaches

Member Associations, Playing leagues, and Tournament Officials shall institute their own "MISCONDUCT SYSTEM" for players/coaches and assistant coaches for sanctions as the see appropriate. Appeals of cards are not allowed except when the referee admits he made an error in the issuance of the card. Sanctions for misconduct will remain within the competition where they are earned unless violation happens on the last game of that competition and the Member Association, Player League, or Tournament Officials deem that it is serious enough to forward to North Texas Soccer A&D for consideration of further sanctions.

1. A player/coach/assistant coach receiving a second yellow card in a single game is suspended for the balance of that game, and shall sit out the following game.
2. A player/coach/assistant coach receiving a red card is suspended for the balance of that game, and shall sit out a minimum of the following game.

NOTE: *If the Member Association A&D Committee determines that a red card was issued for an infraction that was not an "expulsion" offense in accordance with the **IFAB** Laws of the Game, the Member Association may reduce the red card to a yellow card and assess points for the yellow card. The Member Association may not, however, do away with the card altogether.*

3.11.4 Misconduct of Spectators

1. Each team (youth and adult) in **NTSSA** is responsible for the conduct of its spectators. The referee has the authority to insist that the coach or acting coach deal with the misconduct of the spectators and resolve the problem. Failure to do so may result in the coach's dismissal from the field and/or termination of the match. Therefore, the coach/assistant coach/team manager is expected to control his spectators, especially on non-enclosed fields. If he is unable to do so, Member Associations, Playing Leagues and/or Tournament Officials are directed to take appropriate actions toward the identifiable, unruly spectator, or if unidentifiable, towards the team itself. Member Associations, Playing Leagues and Tournament Officials shall report spectator misconduct to the **NTSSA** A&D Committee for review and further action if warranted.
2. Suggested action for misconduct of spectators is:
 - a. Suspend the spectator from attending future matches.
 - b. Report spectator to the local Park & Recreation Department.
 - c. Require team to forfeit any games at which spectator is present on the touchline (cannot keep them off public street or out of parking lot.)
 - d. Require offending team to pay for presence of police at the game.

North Texas State Soccer Association, Inc.
2024/2025 Bylaws and Rules

- f. Cause the spectator to be placed under a municipal “peace bond”.

3.11.5 Misconduct and Punishment of Teams

1. League Play

- a. When, during the current soccer year, the players/coaches/assistant coaches of a given team have exceeded the misconduct limit set by the member association (if none are in place, NTSSA Misconduct Guideline will be used) in league play the Member Association and/or Playing League shall notify the team and the State A & D Committee. The team will be fined \$100 payable to NTSSA within thirty (30) days of receiving notice of the exceeded limit. The coach and the players of said team may also be required to appear before the Member Association and/or Playing League Disciplinary Committee to explain the team’s continued misconduct. If desired, the Member Association and/or Playing League may waive the holding of a local hearing and refer the matter to the NTSSA A&D Committee. Failure of the Member Association or Playing League to notify the NTSSA A&D Committee within fourteen (14) calendar days of a team’s exceeded misconduct limit will result in a fine of \$100 per week for each week such notice is late. Red cards or send-offs assessed against that team’s spectators or against that team during tournament play will be reviewed to ascertain team misconduct tendencies.
- b. When the players/coaches/assistant coaches of a given team have accumulated a total of four (4) send-offs in a tournament (*including* red cards issued as a result of an individual receiving two yellow cards in a single game) Tournament Officials shall notify the team and the NTSSA A & D Committee. The team will be fined \$100 payable to NTSSA within thirty (30) days of receiving notice of the fourth send-off. The coach and the players of said team may also be required to appear before the committee to explain the team’s continued misconduct. Failure of Tournament Officials to notify the NTSSA A&D Committee within fourteen (14) calendar days of a team’s fourth will result in a fine of \$100 per week for each week such notice is late. Red Cards or send-offs assessed against that team’s spectators or against that team during league play will be reviewed to ascertain team misconduct tendencies.

2. All Association Teams

- a. The NTSSA holds the team and coach jointly responsible for the conduct of his or her players, parents, and spectators.
- b. A coach whose conduct is not considered to be exemplary to his or her players, parents and spectators will be firmly dealt with by the A&D Committee of both the Member Association involved and the NTSSA.

3.11.6 Games Directly Sponsored by NTSSA

Misconduct involving any participant (player, coach, parent/spectator) of State-sponsored games, as opposed to Member Association league play, will be reported directly to the Tournament Officials of the State Cup and Games Committee and will be forwarded to the NTSSA Appeals and Disciplinary Committee immediately after the occurrence for appropriate disciplinary action.

3.11.7 Misconduct Toward Referee

- 1. NTSSA has exclusive jurisdiction over assault or abuse of officials, both referee and assistant referee, in any competition by the State or Member Associations. This jurisdiction includes:
 - a. All USSF registered referees (adult and youth).
 - b. Any non-licensed person serving in any emergency capacity as a game official.
 - c. Any coach, parent, or junior assistant referee, serving as a game official.

North Texas State Soccer Association, Inc.
2024/2025 Bylaws and Rules

Adult Women's, Youth or Indoor), the Olympic Development Program Chairman and the Chairman of the State Referee Committee. This subcommittee, chaired by the NTSSA A&D Committee Chairman, shall review and investigate the report(s) as submitted, and upon proper investigation shall determine the seriousness of the alleged assault/abuse report(s) in a timely manner.

3. Should the majority of the members of the subcommittee listed above in Paragraph 3.11.7.2 determine there is sufficient evidence to consider the incident referee assault or referee abuse, a formal hearing will be held within thirty (30) days of verification of the incident. An intentional act upon or towards a game official as defined in Paragraph 3.11.7.1 above shall be deemed "referee assault" or "referee abuse" in the NTSSA under the terms, references, and conditions of USSF Policy 531-9.

If the subcommittee determines there is sufficient evidence to consider the incident referee assault, the committee, at its discretion, may suspend the individual involved until the hearing on the alleged assault.

Should the subcommittee, as noted in Paragraph 3.11.7-2 above, determine the action committed to be Gross Mistreatment Towards a Referee rather than Referee Assault or Referee Abuse; it shall impose an administrative punishment of a three (3) game suspension. A formal hearing will not be held unless it is requested by the suspended party. Should a formal hearing be requested and held, it shall be an NTSSA Board of Directors hearing as described in Paragraph 3.11.7.4.

4. **NTSSA Board of Directors Hearing**

Assault hearings shall be conducted by the State Board of Directors in the following manner:

- a. The alleged offending party should be present at such hearings; however, if he is not present, the NTSSA Board of Directors will act upon the matter with the information before it.

If the offending party or any other party or any other person(s) need explanation, such queries will be addressed through the Chair.

This cash bond will be required to be posted before the team may engage in any further games within the boundaries of NTSSA. Should any other member of said team be found guilty of a referee assault during that one (1) year period, the team shall forfeit the bond, and another similar bond will be required before the team can continue in competition. If no member of the team commits a referee assault during that one (1) year period, the bond will be returned to the person or persons designated to receive such payment. No member of such team which has failed to post such bond will be permitted to register with another team until that member has posted a \$50 bond with NTSSA; nor shall any new member be allowed to register on that team until such member has posted a \$50 bond, such bonds to be held under the same terms and conditions as the team bonds.

3.11.8 Misconduct of Referees

When any referee is alleged to have committed misconduct toward any participant, spectator of a match or toward another referee, the NTSSA A&D Committee will hear such allegations and assess punishment concerning the Referee in regard to his activities.

1. All those under the jurisdiction of NTSSA are reminded that they must exhaust all appellate procedures of the Member Association on all matters not covered by these Rules before NTSSA can acquire jurisdiction to hear the appeal under its rules.
2. Member Associations are reminded that they may set the rules of hearings and may restrict the number of witnesses, and the time allotted to each, so long as fair hearings are held. It may also determine whether it wants to allow closed or open hearings.
3. Member Associations and their committees are urged to refuse to hear any appeal when any person is threatening a lawsuit. You should pass the appeal to the next higher forum which would hear it. This is a sport to which we are giving freely of our time, and none of us needs to take the trouble and expense to appear in court.

NTSSA will refuse to allow such recording devices, and the presence of attorneys at hearings is optional with the Member Associations.

3.11.11 Association to Comply

When any Member Association or a member thereof, fails to send in reports as required by this Rule, NTSSA will take any action it considers proper, including a fine not to exceed Five Hundred Dollars (\$500). 3.12 REFEREE SYSTEM

3.12.1

The only approved referee system for all NTSSA competitions (both State and affiliated members) shall be the International Three-Referee system (a referee and two neutral assistant referee) employing IFAB Laws of the Game (as modified herein), officiating techniques and mechanics. The order of preference when three registered referees are not available is as follows:

- 2. A USSF referee and one USSF assistant referee and one club assistant referee.
- 3. A USSF referee and two certified “junior” assistant referees.
- 4. A USSF referee and one certified “junior” assistant referee and one club linesman.
- 5. A USSF referee and two club linesmen
- 6. A USSF referee only.

3.12.2

Under no circumstances will the dual referee system of officiating be utilized for any NTSSA sanctioned games (which include all Member Associations league games, cup matches, and tournaments). Member Associations of NTSSA who attempt to employ this system of officiating will be declared not in good standing upon thirty (30) days written notice by the NTSSA Board of Directors. If they do not take immediate, positive steps to comply with this rule, the Member Association will be held to be not in good standing.

3.12.3

Coaches of NTSSA registered and affiliated teams shall not play a competitive league, cup or tournament match under the dual system of officiating, nor can their teams be forced to forfeit said game(s) for refusing to play under the dual system.

3.13 GAME PROTESTS

3.13.1

There are only two acceptable causes for the protesting of a game after it has been played. They are:

North Texas State Soccer Association, Inc.
2024/2025 Bylaws and Rules

1. A team knowingly plays an unregistered, ineligible, or suspended player; or
2. There has been an obvious error made in the application of the Laws of the Game that directly affects the outcome of the match, and the referee admits it.

3.13.2

No protests can even be entertained if they are based on judgment decisions made by the referee during play. The Laws of the Game clearly state in Law V (Referees) that . . . “A referee shall be appointed to officiate each game . . . his decisions on points of fact connected with the play shall be final, so far as the result of the game is concerned”. A game cannot be protested because one coach, or both for that matter, thinks the referee was incompetent. This is a matter to handle through the local referee’s group or the State Referee Committee.

3.13.3

Any protests relating to the grounds, goal posts, cross bars, or other appurtenances of the match shall not be entertained by any protest committee or board unless an objection has been lodged with the match referee before the commencement of the match. The referee shall require the responsible team to remove the cause of objection if this is possible, without unduly delaying the process of the match.

When an objection has been lodged, a protest, in writing, must be made to the protest committee of the Member Association under whose direct jurisdiction the match was played. No objection or protest shall be withdrawn (because the protestor won the match) except by consent of said protest committee.

3.13.4

A team that knowingly plays an unregistered, ineligible, or suspended player shall forfeit all of the games in which the player participated. A coach, assistant coach, and/or manager of the team playing such player shall be suspended for a minimum period of one year. The offending player may be suspended from soccer activities.

Player's names shall not be identified to the coach until the player is placed on the team. Only the Head Coach may request their child to be rostered to the team that he/she is coaching.

If a person becomes the head coach of a new team formed by the Member Association in the current season, the coach may request their child be rostered to the new team he/she is coaching. In order for any person to request their child be transferred to a returning team they are coaching, they must have been the head coach of record of the team for the previous two outdoor playing seasons or asked to be the head coach of the returning team by a majority vote of the Member Association's Board of Directors.

- e. Fewest accumulation of caution points, 1 point for yellow and 2 points for red.
- f. Kicks from the mark

These tiebreaker procedures will be applied, in order, to the teams tied in points until one team is selected for advancement. In the event of a tie involving age brackets that contain flights with different numbers of scheduled games, then the same tiebreakers are used with the exception that averaging to determine b, c, d, and e will be used.

If the send-off was for fighting, or if it is the player’s second tournament send-off, the player will be suspended from the remainder of the tournament. Any player receiving three (3) cautions (yellow cards) in the tournament must sit out the next played tournament game with their team (unless the third caution occurred in the last game of the tournament for that player or coach, in which case such player or coach would be required to sit out their next scheduled game played). Bring a supply of stakes for your game. Some associations do not furnish net stakes. Do not use tape to hold up nets. **FAILURE TO TAKE DOWN NETS AFTER LAST SCHEDULED GAME WILL RESULT IN TEAM(S) BEING INELIGIBLE TO PLAY IN NTSSA STATE TOURNAMENTS FOR A PERIOD OF ONE (1) YEAR, AND FORFEITURE OF THEIR PERFORMANCE BOND WHERE APPLICABLE.**
18. All teams not accepted by the tournament will be refunded in full within ten (10) days of the notification of rejection, or notification to the teams accepted, whichever comes first. (Posting on web sites can be considered notification of teams accepted.)

CHAPTER 8

CODE OF ETHICS/CONDUCT

8.1 NTSSA CODE OF ETHICS FOR COACHES

This code of ethics has been developed to clarify and distinguish approved and accepted professional, ethical, and moral behavior from that which is detrimental to the development of the sport of soccer. (The term “Coach” shall include, but is not limited to Head Coach, Assistant Coach(s), Manager/Trainer and/or Team Representative.)

ARTICLE I - RESPONSIBILITIES TO PLAYERS

1. The coach must never place the value of winning over the safety and welfare of players. Winning should be the result of preparation and discipline with emphasis placed on the highest ideals and character traits.
2. Coaches shall instruct players to play within the written laws of the game and within the spirit of the game at all times.
3. Coaches shall not seek unfair advantage by teaching deliberate unsportsmanlike behavior to players.
4. Coaches should not tolerate inappropriate behavior from players regardless of the situation.
5. Demands on players’ time should never be so extensive as to interfere with academic goals and progress. Motivation for excellence should include academics as well as athletics.
6. Coaches must never encourage players to violate **NTSSA** recruitment, eligibility, or guest player rules and policies.
7. Under no circumstances should coaches authorize or encourage the use of medicinal or performance enhancing drugs, or supplements of any kind whether legal or illegal, prescription, or over-the-counter. Medication and supplementation of any kind should be the responsibility of the parents and/or legal guardian. Players should be directed to seek proper medical attention for injuries and to follow the physician’s instructions regarding treatment and recovery. At no time should a player be put at risk by returning from injury prematurely or by being forced to play while injured.
8. A coach's dealings with players and parents must be upfront, honest, and forthright. Coaches must always be honest and refrain from misrepresentations to players and parents.
9. Coaches shall not engage in or attempt to initiate a consensual relationship with an 18U or 19U player when the coach is in a “position of authority” with respect to the player. Should a consensual relationship develop or appear likely to develop, the coach should step down from his or her position with the player’s team. This will avoid any perception of pressure on the player to acquiesce to unwanted advances to maintain their position on the team or any perception of preferential treatment from the coach due to a consensual relationship with the player.

ARTICLE II - RESPONSIBILITY TO NTSSA AND MEMBER ASSOCIATIONS

1. Adherence to all **NTSSA** and Member Association rules and policies, especially those regarding eligibility, team formation, recruiting, and guest players are mandatory and should never be violated. It is the responsibility of every coach to know and understand these rules.
2. Player development and the growth of the player through participation is essential to the growth of the sport. Additionally, the coach must behave in such a manner that the principles, integrity, and dignity of the sport are maintained.
3. Any problems that cannot be resolved between coaches should be referred to the appropriate **NTSSA** Commissioner, Member Association, or League Commissioner immediately.
4. A coach's dealings with **NTSSA** and Member Associations (including playing leagues) must be upfront, honest, and forthright. Coaches must always be honest and refrain from misrepresentations to **NTSSA** and Member Associations (including playing leagues).

North Texas State Soccer Association, Inc.
2024/2025 Bylaws and Rules

ARTICLE III - RESPONSIBILITY TO THE LAWS OF THE GAME

1. Coaches should be thoroughly acquainted with and demonstrate a working knowledge of the laws of the game of soccer. Coaches are also responsible to ensure that their players understand the intent as well as the application of the laws.
2. Coaches must adhere to the letter and spirit of the laws of the game. Those coaches who circumvent the rules to gain advantage have no place in soccer.
3. Coaches are responsible for their players' actions on the field and must not permit them to perform with the intent of causing injury to opposing players.
4. If coaches permit, encourage, or condone performance that is not in the letter or spirit of the laws, they are derelict in their responsibility to players, Member Associations, **NTSSA** and the sport worldwide. The coach must strive constantly to teach good sporting behavior.

ARTICLE IV - RESPONSIBILITY TO OFFICIALS

1. Officials must have the support of coaches, players and spectators. Criticism of officials undermines their purpose in the game. Coaches must always refrain from criticizing officials in the presence of players.
2. Coaches should strive to develop a line of communication with officials, giving each an opportunity to better understand the problems relating to their specific area. This section shall not be taken as an encouragement to debate referee decisions during the match.
3. On game day, officials should be treated with respect before, during, and after the game. Officials should be addressed as "Referee" or "Mr. /Ms. Referee" and not by name. Professional respect should be mutual and there should be no demeaning dialogue or gesture between official, coach, or player. Coaches must not incite players or spectators or attempt to disrupt the flow of play.
4. Comments regarding an official should be made in writing to the appropriate organization assigning the official.

ARTICLE V - RESPONSIBILITIES REGARDING SCOUTING AND RECRUITING

1. It is unethical to scout any team, by any means whatsoever, except in regularly scheduled games.
2. The use of videotape or motion picture equipment to scout an opponent's regularly scheduled games for the purpose of recruiting is unethical.
3. All **NTSSA** rules pertaining to recruiting shall be strictly observed by the coach, manager, or any team representative.
4. It is unethical to recruit player(s) actively playing for another team.
5. It is unethical for a player to be recruited or enticed from the Olympic Development Program (ODP) setting, either by his ODP coach or any other coach, manager, parent or team representative.
6. When discussing the advantages of his organization, the coach has an ethical obligation to be forthright and refrain from making derogatory remarks regarding other coaches, teams, and organizations.
7. It is unethical for any coach to make a statement to a prospective athlete, which cannot be fulfilled; illegal to promise any kind of compensation or inducement for play; and immoral to deliver same.
8. Allegations of illegal or unethical recruiting are very serious and should be based on concrete facts rather than hearsay and innuendo. While documentation of recruiting violations is essential, the use of videotape and other electronic equipment is discouraged.

ARTICLE VI - RESPONSIBILITY OF PUBLIC RELATIONS

1. Coaches have a responsibility to promote the game of soccer to the public. Comments and critiques of governing bodies, teams, coaches, players, parents, or the media should be positive and constructive, never prejudicial or inflammatory.
2. When asked to give a recommendation concerning team, camp, coach or organization, it is in the best interest of all concerned if no less than three referrals are given in order to provide a professional unbiased source of information.

North Texas State Soccer Association, Inc.
2024/2025 Bylaws and Rules

3. Coaches have the responsibility to assist their players in conducting themselves properly when in public while representing their team, Member Association, and NTSSA.
4. Publicly predicting a win is folly and serves no useful place in a coach's public image.
5. Comments stressing injuries, team, personnel conflicts, or disciplinary problems as an excuse for a loss or unsuccessful endeavor are detrimental and should be avoided.
6. It is unethical for a coach to solicit alumni, parents, booster club or managers to pressure organizations, Member Associations or NTSSA to alter established rules. The coach must not attempt to influence these organizations in political or financial dealings outside the framework of their own rules and bylaws.
7. The media should be allowed access to the players for comment. Players should be instructed in how to conduct themselves during an interview.

ARTICLE VII - GAME DAY AND OTHER RESPONSIBILITIES

1. A coach's behavior must be such as to bring credit to himself, his organization, and the sport of soccer. This is never more evident than on the day of the contest.
2. Rival coaches should meet prior to the game and exchange friendly or professional greetings. While the concept of rivalry is wholly embraced, it cannot take precedence over exemplary professional conduct.
3. During play, coaches have a responsibility to be as inconspicuous as possible. Coaches shall exhibit a respectful attitude towards players. The coach must confine him/herself to the coaching area. The attitude of the coach towards officials, spectators, opposing players and coaches should be controlled and undemonstrative.
4. It shall be unethical for a coach to have any verbal altercation with an opposing coach or bench during the game. Hostile physical contact with a player is considered highly unethical.
5. The coach's foremost post-game responsibility is his/her team.
6. Coaches should use their influence on unfriendly spectators that demonstrate intimidating behavior towards officials and opposing teams.
7. Coaches must act in a professional manner at all times when in the presence of players, whether at games, practices, or in any other setting. A coach demonstrating behavior that could be considered by a reasonable person to be irrational, inappropriate, or unbecoming an adult will not be tolerated. Examples of such behavior include, but are not limited to, the following:
 - Lewd gestures or remarks
 - Overly critical remarks
 - Ranting and raving
 - Snide or demeaning remarks
 - Threatening behavior or remarks
 - Physical confrontations
 - Temper outbursts

8.2 NTSSA PARENT'S CODE OF CONDUCT

1. Children have more need for example than for criticism. Attempt to relieve the pressure of the competition, not increase it. A child is easily affected by outside influences.
2. Be kind to your child's coach and officials. The coach is a volunteer, giving of personal time and money to provide a recreational activity for your child.
3. The opponents are necessary friends; without them, your child could not participate.
4. Applaud good plays by your team and by members of the opposing team.
5. Do not openly question an official's judgment and honesty. Officials are symbols of fair play, integrity, and sportsmanship.
6. Accept the results of each game. Encourage your child to be gracious in victory, and to turn defeat into victory by working towards improvement.
7. Remember your child is involved in organized sports for their enjoyment, **NOT YOURS!**
8. Encourage your child to always play by the rules.
9. Teach your child that honest effort is as important as victory so that the result of each game is accepted without undue disappointment.
10. Remember that your child learns by example. Children mimic what their parents say. Criticism of the coach, officials, teammates, and/or opponents fosters bad attitudes and can only lead to a negative experience for your child.
11. Parents should remember that a coach has an entire team of players to consider when making decisions regarding position, playing time, substitutions, and strategy. The team does not revolve around one player.
12. A parent must never misrepresent to their team their child's eligibility to play on that team, and must be honest in dealings with **NTSSA** and Member Associations (including playing leagues).
13. A parent must never be verbally or physically violent or threatening with any coach, parent, player, or representative of their Member Association or **NTSSA**.

5. If I am a State or National **USFF** referee, I acknowledge that my first responsibility is to State or **USFF**-assigned games and that I will make myself available for these assignments regardless of conflicts with local playing associations or with leagues that I may be active in as a player or as a coach.

I will, therefore, strive to set a very high standard of personal conduct under these circumstances to serve as an example to all.
10. I understand that I should wear only the approved **USFF** referee uniform with the current badge of the highest grade I am qualified for, and that my uniform be clean, neat and in a good state of repair. I also understand that if I am a coach, I am not to wear my uniform while coaching my team.
11. I further understand that I should not partake of any type of alcoholic beverage before any game assignment, and that I should never smoke, eat or drink while actually officiating.
12. I hereby pledge that I will always faithfully carry out my duties and obligations as a **USFF** referee registered with **NTSSA**; and that I do hereby acknowledge and accept the jurisdiction of the local **NTSSA**- affiliated playing association I may be refereeing for, the **NTSSA** and **USFF**, and their respective Referee Committees, where applicable, over my actions, conduct and performance as a registered **USFF** referee.
13. I furthermore understand that I may be disciplined, to include being placed on probation, suspended, or refused referee registration for significant or repetitive breaches of this Code of Conduct or any of its articles or provisions.

8.4 NTSSA CODE OF ETHICS FOR BOARD OF DIRECTORS, STATE COMMITTEE MEMBERS, AND MEMBER ASSOCIATION ADMINISTRATORS

None of us arrives at any administrative level, volunteer or not, without spending some “grass roots” time somewhere. We are appointed or elected to our positions because enough people had confidence in us, appreciation for what we had done in the past and assurance that we could lead them in a positive, productive future. This responsibility of accepting such a challenge, especially in a volunteer capacity, must have some guidelines.

It is important to remember that as board members we are very high profile. It is equally important that we remember that we are primarily a service organization and that we treat fellow volunteers as partners with a common goal--the organization, development and promotion of soccer. We should maintain high standards and serve by example.

1. Have respect for the game, players, officials, parents, coaches, member association volunteers and fellow board members and deal with them in a patient, courteous and consistent manner.
2. Criticism channeled through the proper quarter should be educational, constructive, balanced and positive. Under no circumstances should it be demeaning or detrimental to the self-respect of the individuals involved.
3. Administrators should be informed and available. As facilitators they should know the right questions, have the ability to elicit the right answers and foster creativity with accountability within their committee or area.
4. Regarding committee and other volunteers: they should be praised for time spent and jobs well done; their suggestions welcomed, evaluated and conclusions communicated to them. Abilities should be recognized and encouraged.
5. Above all: courtesy, self-control and loyalty. We are role models for the youngest players to the newest association. Our responsibility is to serve them well as we work toward our common goal.
6. Administrators shall not engage in or attempt to initiate a consensual relationship with an 18U or 19U player when the administrator is in a “position of authority” with respect to the player. Should a consensual relationship develop or appear likely to develop, the administrator should step down from his or her position with the player’s association. This will avoid any perception of pressure on the player to acquiesce to unwanted advances to maintain their position or any perception of preferential treatment from the administrator due to a consensual relationship with the player.

8.5 NTSSA CODE OF ETHICS FOR MEMBER ASSOCIATIONS

This code of ethics has been developed to clarify and distinguish approved and accepted professional, ethical, and moral behavior from that which is detrimental to the development of the sport of soccer. (The term “Member Association” shall include, but is not limited to Officers, Commissioners, Volunteers and/or Employees.)

3. It is unethical for any Member Association to make a statement to a prospective team and/or player, which cannot be fulfilled; illegal to promise any kind of compensation or inducement for play; and immoral to deliver same.
4. Allegations of illegal or unethical recruiting are very serious and should be based on concrete facts rather than hearsay and innuendo. While documentation of recruiting violations is essential, the use of videotape and other electronic equipment is discouraged.
