💙 The Kyle Hicks Memorial Award 💙

This year, we were honored to have Rob and Ann Hicks present the Kyle Hicks Memorial Award at the 2025 North Texas Soccer Awards Dinner.

Rob and Ann created KYLESTRONG in memory of their son, Kyle Hicks, whose life was defined by kindness, integrity, and selfless service. Kyle believed in living fully, loving deeply, and never taking life too seriously. He served his community with quiet strength and purpose during his time with the CCPD.

On April 20, 2024, Kyle made the ultimate sacrifice, rushing into danger to save a stranger who had called 9-1-1. He passed away four days later from his injuries. His legacy lives on through this award and through the lives of those who exemplify the same values.

🏆 This year's Kyle Hicks Memorial Award was presented to:

- Ross Hudson, Recreational Boys Coach of the Year
- Rojelio Delgado, Recreational Girls Coach of the Year (not pictured)
- Kayden Grimes, Young Female Referee of the Year
- Jackson Bohannon, Young Male Referee of the Year

These individuals were recognized not only for their contributions to the game but for embodying the values Kyle stood for: kindness, humility, integrity, and service to others.

Thank you to the Hicks family for allowing us to honor Kyle's memory in such a meaningful way. 💙
