If you are looking for a list of all registered referees, you can enter the age of 12 (since all referees must be over the age of 12 to work games) and click Search.

Step 5: To download the entire searched list in an Excel/.CSV file, click on Create List for Download button at the bottom. (If the list of referees is extensive, this may take a few seconds.) The screen will refresh with a new button appearing underneath Create List for Download that says Download Results. (Note: Make sure pop-up blocker allows for you to open the list.) Click on Download Results to create an Excel/.CSV file of all searched Referees that can be sorted as needed (license type, age, city, etc.)
